Owner/Shipper : **Carrier Bill of Lading #**

This form is for all items considered to be "high risk" or "high value" by either the shipper or the carrier. The purpose of this inventory is to assist you in identifying articles of extraordinary or unusual value in order that the carrier will be aware of those items which require special handling and protection.
Failure to identify such articles will result in limited carrier liability and may result in denial of any claim.

All items included in your shipment that are considered to be of extraordinary (unusual) value must be specifically identified and the carrier must be advised that they are included in the shipment. Items of extraordinary value are defined as **stamp collections, letters or packets of letters, "valuable papers", precious or semi-precious stones, gold, silver, platinum or other precious metals or alloys, furs, garments trimmed with fur or jewelry.** Other items may also fall into this category and must be identified as well. The most we will pay for these items is $10,000 for any one occurrence unless the items are specifically scheduled below. For Fine Arts and Antiques we will pay the lesser of the (a) original acquisition cost or (b) the market value at the time of loss or (c) the stated limit on the schedule that is part of the shipping document and/or storage document or (d) the appraised value up to the limit of $5000 collectively, unless specifically inventoried herein.
The following items are EXCLUDED regardless of value; accounts, bills, currency, deeds, evidence of debt, money, notes, securities, letter of credit, bullion, stock certificates and credit cards.
